## OUR COMMUNITIES OF NORTHWEST STOKES FOUNDATION 2021 GRANTS PROGRAM

Our Communities of Northwest Stokes Foundation is pleased to announce a grants program that is made possible through funds raised by Francisco FarmFest.

## **About Our Communities and the Foundation**

Our Communities of NW Stokes is a local development initiative that focuses on revitalization in Francisco, Collinstown, Asbury, Aarons Corner, Harts Store, Johnstown, Westfield, and Double Creek, and on building programs and partnerships that benefit Northwest Stokes County. It is a community-driven and all-volunteer effort. Our Communities of NW Stokes Foundation, a non-profit (501C3) organization, was created in 2015 to support this work and to assist in funding projects in the region.

## **About the Program**

**What is its purpose**: The program was created to encourage citizens of Northwest Stokes County to propose projects that will benefit their communities or our area as a whole; and to help people jump start, carry out, or complete projects of value to our area.
